

Dear Bible Believing Pastors, Family and Friends

March/April 2010

Greetings in the Name of the Lamb of God which taketh away the sins of the World!

2Cor. 1:11. "Ye also helping together by prayer for us, that for the gift bestowed upon us by the means many persons thanks may be given by many on our behalf."

I apologize for the delay on our prayer letter, please forgive me. We have been very busy preaching the word and printing the word. I'm so blessed to be able to stand in the pulpit and on the street corner every week and preach Christ. I thank the lord for the privilege to serve here in Moldova.

**Andrei Goranchuk**

Our church here in Chisinau had a wonderful Resurrection Sunday. Praise the Lord! I never get tired of telling the old story of how Jesus Christ came into the world to die for our sins. The Lord continues to bless the street preaching and soul winning. We continue to get gospel tracts out into the community. We trust that God will use them to work in people's heart. Please pray for Ria, a street vendor who is in opposition to us in the work of the Lord. She curses us and literally stands there and tells people not to take our tracts. Last month she called the Orthodox priest who came down to where we were preaching and took pictures of us trying to intimidate us. I wasn't intimidated. Thank God the Lord gave us Holy boldness to stand up against the unfruitful works of darkness. The Lord helped us by using an unsaved man who stood up to the priest calling him a hypocrite. As a result the priest fled! Praise the Lord! **God is good.**

#### **Easter Services**

We spent all day Easter Sunday in our church in Chisinau. On Monday I went to the north to preach in the village of Reacha for one of our graduates. Andrei Goranchuk, (playing the accordion in the picture) Andrei preaches there four times a week and is working with an older pastor named Grigorie in hopes of some day to take the church. While preaching there Sunday we planned a 3 day tent meeting with the church in August. Please pray for this meeting that souls will be saved and saints will be revived. No one got saved! But the seed of the word of God was planted. **Please continue to pray for Pastor Grigorie and Andrei Goranchuk.**

**On Tuesday we traveled to Slobodzia for another Easter service. Nicolia an 80 year old man got saved!** He had been communist all his life. He came to Vanya and I before the church service. He said the church kids had been running in his yard. He asked if it would be possible for us to buy some fence to keep the kids from running in his garden. I said "absolutely!" We proceeded to witness to him about his soul. Praise the Lord he bowed his head and trusted Christ! **Please pray for Nicolai.**

### Purified Word Printing International

Praise the Lord the printing ministry is going full force. **A special Thank You to Pastor Paul DeBacco and Tom Bowser for their work and training on the press.** They came for the 2<sup>nd</sup> time to do some more work on the press and to do some additional training as well. The press is running full speed. **We printed 15,000 tracts, 4,000 Essence of Christianity by James Knox and 2,000 Glory Land Bible Believer's New Christian series.** In addition we found a supply source in the country who has 9 ½ tons of rolled paper just for the press. The cost for each roll is \$500.

Please pray for us. The vision we have for this ministry is to print the **King James Bible in Russian and Romanian languages.** We are praying for a press that has the capabilities of doing this. Our press can print John and Romans and small booklets. We need a bigger press to print the Bible. Please pass this prayer request on to all who will pray. "We are making preparations to send another container."

### Village Churches in Prednistrovia

For the last several months I have been preaching in the village of Slobodzia helping re-establish the church we began 13 years ago. The church there has seen several set backs in the last 5 years. We have seen 5 preachers leave Moldova to go to America and other country's for the "better life." One preacher left who organized 5 churches, those churches are being run by deacons and lay people. Please pray for God to use us through our Bible Institute to train, and that God would rise up Moldovan preachers to preach God's Book (A 1611).

The Lord has given us a tremendous opportunity to help train Costya Stratalat to be a Pastor. Costya, his wife Valentine, and their family, continue to be faithful and a great regime and Russian Orthodox Church. Just recently, the church on the Russian side was vandalized by hoodlums who hate the name of Jesus Christ. Our church in Chisinau graciously took up an offering to help cover the cost to fix the fascia that was damaged. Thank the Lord our Moldovan church has gotten a burden for their own people.

### Prayer Meetings established in Prednistrovia

In addition, three prayer meeting locations have been established in the village because of the opposition. Through this, God continues to show Himself strong, despite of the strongholds in the area. Please pray that God would break the bondage of religion and idol worship Slobodzia region. Through answered prayer we are encouraged to see some of the teenagers from the village come to the preaching. Katia and Nadia 14 year old girls got saved and are very faithful. Andrea, a 17 year old boy got saved as a result of Volva, Costiy's son, inviting him to church. Please pray for new converts and upcoming baptism.

### Orphans Boys Home Project

In June we are making preparations to bring 3 orphan boys to the church. We have already bought the beds and mattresses. We are remodeling the rooms and still need to run heating pipes, and put in new windows. **Please pray for the additional funds needed to finish these rooms.** We will be sending the boys to trade school to learn a trade while they will be training in the Bible institute. Please pray for us to get the remodeling done before the boys move in.

I want to thank all of you who faithfully pray and give to make it possible for us to be here. May God richly bless you as you serve Him.
